Congrats to Mikey Curry who placed 2<sup>nd</sup> at Napa Valley Girls Wrestling Tournament. She is currently ranked 3<sup>rd</sup> in the state of California. She lost to the #1 seed in California.

Attention all students:

Before you know it, the rain will stop, the sun will come out, and the spring sport season will be upon us! If you are interested in playing boys tennis, baseball, softball, golf, or running track, you have some things to do before you can tryout! You need to complete 3 forms - Physical Form, Consent to Treat form, and an Athletic Policies Form. These can be picked up from the main office or from Mr. Link in room 403. Even if you've already played a sport this year, you need to complete a new Consent to Treat form. Once those 3 forms are completed - return them to Mr. Link in room 403.

1. You need to be academically eligible. That means you need to have a 2.0 with no F's on your 1st semester grades.
  - o EXCEPTION: If you had only 1 F OR got below a 2.0 GPA, you may still be able to try out, but you will need a contract. See Mr. Link ASAP if you think you'll need a contract. Spring will be here before you know it. Get your paperwork turned in to Mr. Link in room 403 soon!

Attention all students: If you take a lot of college prep classes and score mostly As and Bs with no Ds or Fs, you may qualify for membership in the CSF club, the second largest club on campus after FFA. Spring semester club applications are available in the counseling office or library and are due along with your \$5 semester dues by January 20 to Ms. Helms in the library. If you were a member last semester, you must reapply with fresh grades. For questions, email Mr. Pilakowski or see him in the counseling office. First meeting of the semester will be January 24.

Attention all students: Mrs. Tull and Mrs. Coats will not be in the counselling office today. Please wait until Wednesday if you need to see either of them. Mr. Barajas is the only counsellor available this week. If you come to the office and the door is closed, he is in another meeting. Thank you!

The Gridley Live Spot will be closed Monday January 9th through Thursday January 12th 2017. Due to staff trainings out of town. We will re-open to normal days and hours Friday January the 13th. During this time if you would like to contact any Live Spot staff please call 530.891.2891, otherwise you may call to leave a message at the Live Spot at 530.846.7309

GHS Choir is at 7:30am every morning in the Guardian Building. Come in where it is warm and sing with us! We are working on "The Star-Spangled Banner" to perform at basketball games and love songs for Valentine's Day. Everyone is welcome!!
